We can help our planet in  
many different ways.

---

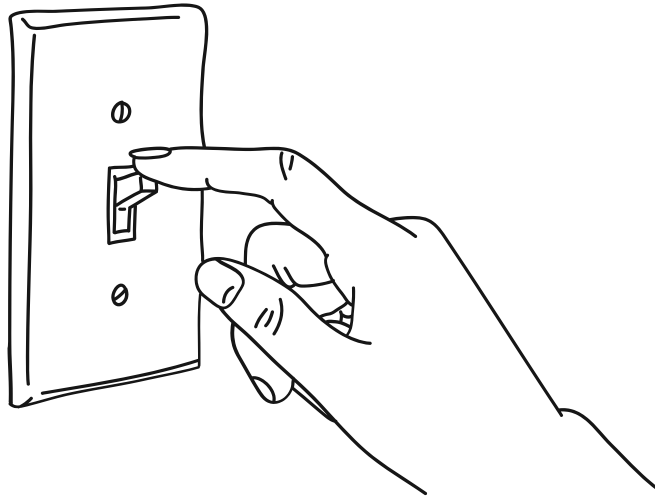

We can pick up garbage.

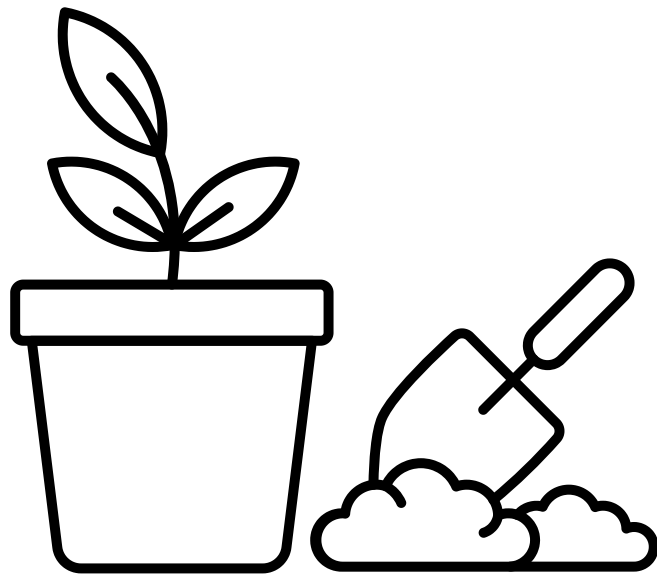

We can turn the water off  
when we are not using it.

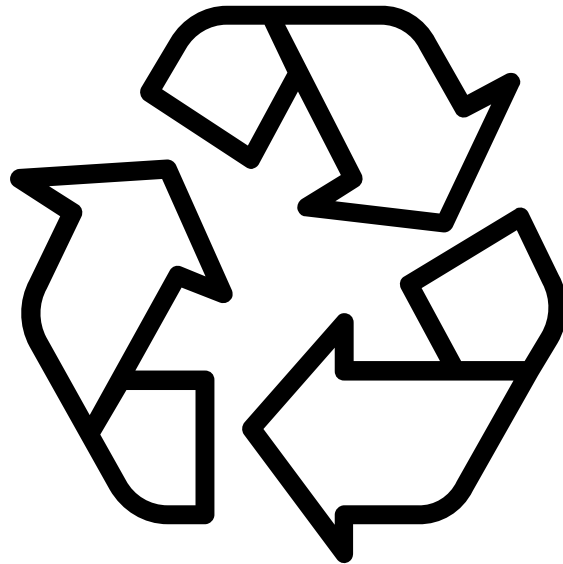

---

We can turn the lights off  
when we are not using them.

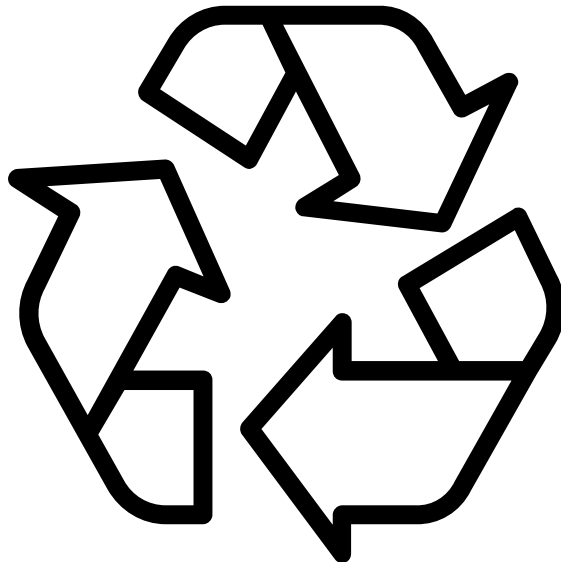

We can plant trees and  
flowers.

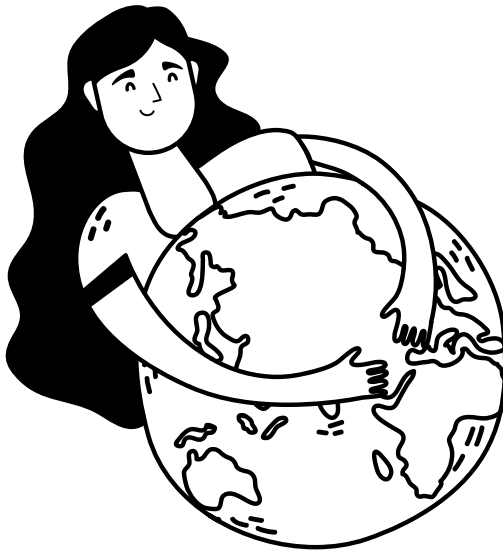

We can learn to recycle  
things.

We can donate our toys to  
be reused by others.

We can clean up after our  
pets.

We can teach others how  
to care for our planet.
